## PACKDUCK CANVAS

Packduck is a proofed cotton canvas. Whilst Packduck is an effective waterproof canvas it does have its limitations. Because it is 100% cotton, shrinkage will occur when water is applied to the canvas. For higher quality jobs it is recommended to use a product like Duraproof.

Packduck is ideal for jobs such as swag bags, tool bags, econo-horse covers, loose fit tarpaulins etc.

Packduck is 72"/183cm wide and 15oz raw loomstate weight approx 18oz finished weight.
