

PVC-Précontraint FERRARI® SOLTIS AIR

Précontraint FERRARI SOLTIS AIR

Thermally effective, resists bad weather conditions, outstandingly long life-span...SOLTIS AIR is the only textile especially for retractable awnings and projection awnings that combines all of these advantages!

Because of its extraordinary qualities, renowned architects don't hesitate to use SOLTIS textiles in their most prestigious projects.

All SOLTIS AIR colours are manufactured with an added citronella scent.
